

# Join us for this once in a lifetime experience! Build with Habitat for Humanity in Asuncion, Paraguay

January 10-19, 2020

Program donation: \$1666

## Global Village A global volunteer service opportunity

Want to support Habitat for Humanity's work abroad?  
Enjoy meeting interesting new people?  
Excited to be part of a diverse team?  
Want to learn about a different culture?  
Ready to make a difference?

### Come with us to Paraguay!

From January 11 to 19 Ontario Habitat will join Habitat Paraguay to build a simple, decent, affordable house for a family in Paraguay.

The team donation includes a special subsidy for the family to invest in their home (e.g. plaster the walls or tile the bathroom)

While we are there, we will also explore the country and culture. The trip includes meals, accommodations; local transportation; access to local cultural activities; and team activities.

Fundraising tools are available!

(Participant airfare, additional R&R activities, vaccine, and visa fees not included.)

## Start your journey today

Paraguay is a land of many contradictions. Over 30% of its residents lives in poverty, and has managed to avoid the descent of thousands of tourists, yet it offers curious travelers spectacular natural wonders: exotic national parks, jaw-dropping waterfalls and one of the largest wetlands in the world. Horse-drawn carts still roam the streets, while clued-in visitors take advantage of tax-free shopping in Ciudad del Este. Culture's covered too, with Jesuit ruins and imposing halls of power nestled in impressive colonial cities. Get your *guaraní* (local language), pack a map and practice your Spanish – Paraguay's waiting to be discovered!
